2024 RULES AND REGULATIONS
Official's decision is final.

1. Drivers under 16 years of age must have parent's or guardian's written consent.
2. Consumption of alcoholic beverages is prohibited. No foul or abusive language.
3. Drivers must follow proper safety guidelines: Drivers must be firmly seated at all times, no bouncing permitted. Drivers must have at least one hand on steering wheel. Feet must be in general vicinity of clutch and brakes at all times.
4. Tractors must be operated in a safe manner at all times.
5. Weights must be securely fastened. If ANYTHING falls off, the tractor will be disqualified.
6. All vehicles will have tip-over bars, no wheels as or on tip-over bars.
7. Any protest must be made before tractor being protested leaves the track.
8. Pulling vehicle must remain in bounds at all times. Out of bounds will result in disqualification. No measurement will be taken following a disqualification.
9. If there is a problem with a puller or their vehicle, officials must be notified before the vehicle leaves the track.
10. When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
11. The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
12. All tractor classes except class 27, maximum of 7100 'P' pump, 13 mm maximum.
13. All ICE must be added to intercoolers before leaving scales.
14. Speed limit for all vehicles is 5 mph in the pits.
15. NO receiver hitch on any trucks.
16. 8500 Light Pro Stock, 3.0 Diesel 4X4, & 4.1's can hook Sunday and Monday if they fit in PPL rules.
17. All classes must have fire-suit and helmet.
18. No headlights on when hooked to sled.
19. The first official hook in each class will be the option puller. The option puller will come back to re hook in the 6th measurable position with 2 attempts.
20. Each puller will have 2 attempts if stopped prior to 100 foot on the 1st attempt. 100 ft flagman decision is final.
21. In the event of a sled reweight the puller(s) have the option to come back immediately or in the last position.
22. NO ONE is allowed to ride on or in a pulling vehicle while inside of pit area or track. NO ONE is allowed on track but the officials and puller.

All classes must have 3" wide x 3 3/4" long hitch hole.
All tractors in RPM classes need a 3 hole female plug for the RPM box, RPM box must read before green flag.
All Diesel trucks must have kill switch and it must work. If kill switch is not in working order or accessible the vehicle will be disqualified.
Any truck with airbags - Missouri State Fair is not responsible for deployment.
All tractors must have no more than a ten degree angle on hitch.
