***Missouri State Fair Rider**

The Artist(s) shall be responsible for any and all injury or damage as a result of the Artist(s)'s negligence involving any equipment or service provided under the terms and conditions of the contract. In addition to the liability imposed upon the Artist(s) or account of personal injury, bodily injury (including death), or property damage suffered as a result of the Artist(s)'s negligence, the Artist(s) assumes the obligations to save the State of Missouri, including the Department of Agriculture and the Missouri State Fair, its employees, and assigns, from every expense, liability or payment arising out of such negligent act. The Artist(s) also agrees to hold the State of Missouri including the Department of Agriculture and the Missouri State Fair, its employees, and assigns, harmless for any negligent act or omission committed by any subArtist(s) under the terms of the contract.

However, the Artist(s) shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, its employees, and assigns.

The Artist(s) understands and agrees that the State of Missouri, including the Department of Agriculture and the Missouri State Fair, its employees, and assigns, cannot save and hold harmless and/or indemnify the Artist(s) or employees against any liability incurred or arising as a result of any activity of the Artist(s) or any activity of the Artist(s)'s employees related to the Artist(s)'s performance under the contract.

The Artist(s) understands that it may be necessary for the Missouri State Fair to postpone or cancel a performance rendered impossible or infeasible by any acts or regulations of any public authority, court or bureau; by riots or other manifestations of civil strife; by strikes or other forms of labor difficulties; by epidemics; by interruptions in or delay of transportation services; by war conditions; by emergencies; by acts of God; or by any other similar or dissimilar causes beyond the control of the Missouri State Fair. It is agreed that there shall be no claim for damages by either party to this Contract for any non-performance due to any of the reasons set forth above, that each party shall bear its own costs attributable to the canceled engagement, and the Artist(s)'s and Missouri State Fair's obligations as to the performance affected by the above-stated reasons shall be deemed waived.
