Missouri State Fair Betty Jane Johnson Bell Youth in Agriculture Scholarship

Beginning in 2024, the Youth in Agriculture Scholarship Committee will have the opportunity to award scholarships in honor of Betty Jane Johnson Bell. Betty devoted her life to agriculture as a farm wife and full-time farmer near Odessa, Missouri. She was a continuous learner and was proud of her agricultural roots. In her later years, she began to recognize the importance of giving young people the opportunity to grow and develop their skills within the field of agriculture. To this end, upon her passing in November of 2021, she bequeathed an endowment to the Missouri State Fair Youth in Agriculture Committee to be used solely for the Youth in Agriculture Scholarship Fund. We are humbled and honored to carry her torch forward, on her behalf, for the future of agriculture
