RING OF GOLD GELBIEH POINT SHOW

Amount offered by State Fair	\$1,928.10
Amount offered by HAGA	\$ 500.00
Amount offered by HAGA (for Balancer classes)	\$ 500.00
Total amount offered in this section	\$2,928.10

Determination of classes will be made at the show after all animals are checked in. Individual classes will be divided into as nearly equal numbers as possible, depending on natural age breaks of entries and the final number of animals to be exhibited. The classes will be determined by the Beef Cattle Superintendent and staff.

The Minor, Major or Super Show status has been eliminated and replaced with a five-tier point system based solely on the number of head exhibited. Points will be based on number of head shown within the Gelbvieh division and Balancer division separately, not on number entered and not on a total of Gelbvieh and Balancers shown.

RULES AND REGULATIONS

- All exhibitors of Gelbvieh cattle will be required to pay a \$15.00 per head processing fee to the Heart of America Gelbvieh Association, to be paid at check-in of entries.
- All animals exhibited must be recorded in the name of the exhibitor. A copy of the registration paper or an affidavit of registration must accompany each animal to the show. Percentage and purebred Gelbvieh females (75% to 100%) will show together. Gelbvieh bulls (75% to 100%) will show together.
- A 75% female or bull that qualifies to show either as a Gelbvieh or Balancer, can only be entered and exhibited in one division at a show. Exhibitors must designate Gelbvieh or Balancer as "breed" at the time of entry - NO changes will be allowed after entries are received.
- A 75% female, eligible to show either as a Gelbvieh or Balancer could earn points throughout the year in both the Gelbvieh and Balancer divisions, depending on how it was entered and exhibited. These points will NOT be combined. The AGA allows 25%-75% Gelbvieh, 25-75% Angus or Red Angus, with up to 1/8th other or unknown ancestry as a Balancer. To be eligible to win a Ring of Gold Champion title, an animal must have earned ROG points from a minimum of two AGA ROG shows. There must be a minimum of 20 head within the separate division to qualify for AGA ROG points.
- Cattle must be entered and exhibited under the recorded ownership at the time of the show entry deadline date. Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes.
- All animals must be properly tattooed, including herd prefix, and will be inspected at the show at the discretion of the show management. If the tattoo is illegible or does not correspond to registration certificate, the animal is ineligible to show or may be re-tattooed by the exhibitor and rechecked at the end for processing at the discretion of the show management.
- All cattle must meet the health requirements set out by the Show Management. Any deviation from the health requirements will be just cause for immediate disqualification from the show.
- This is a partial fit show. Animals will show in a clean and clipped conditioned. Adhesives allowed only on topline. Show committee prohibits the use of powders of any color. False tailheads and glued-on hair or hair-like substances are prohibited.
- All yearling heifers born before March 1, 2023 must be accompanied by a verification of pregnancy signed by a licensed veterinarian. Exception to the rule of "safe in calf" will apply to a donor female that has produced fertile eggs in the current year, as verified in a written statement from a licensed veterinarian.
- All females shown in cow/calf classes with a calf over 150 days of age must be bred back and must be accompanied by a verification of pregnancy signed by a licensed veterinarian. Exception to the rule of safe in calf will apply to a donor female that has produced fertile eggs in the previous 12 months as verified in a written statement from a licensed veterinarian. Show management will be responsible for checking the health papers.
- Age of calf at side in cow/calf class must not exceed 240 days as of date of the show.
- The divisions are standard for all Ring of Gold Shows. Classes will be split within those divisions.
- Heifers born 9/1/22 to 12/31/22 may show with natural calf at side.
- The Missouri Bred and Owned Show will be held in conjunction with the open show. Balancer heifers and bulls will have Bred and Owned awards. Eligible B/O entries are bred and owned by the same Missouri residents, as indicated by registration certification. All B/O entries must be designated to show committee at time of check in. No premiums paid in this Missouri Bred and Owned Show. There will be a Champion B/O chosen from each division in the heifer and bull classes. No B/O awards given in cow/calf division. Awards will be presented to the Grand Champion B/O Heifer and the Grand Champion B/O Bull. These awards are sponsored by various Gelbvieh breeders.

If purebred Senior/Junior Yearling has a ShorthornPlus calf at side, it is not eligible for the PACE Show, however it is eligible for the ShorthornPlus show if such show is available. All females 20 months of age on or before the date of the PACE show need to have a 60 day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the PACE show. Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site, and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific PACE show.

RULES

1. Exhibitors must comply with all general rules and regulations and animal health requirements for exhibitors in this premium book.
Violation of these rules may result in any or all of the following:
 - A. Withholding or return of payment for the animal or exhibit, premiums and awards.
 - B. Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.
 - C. Probationary exhibiting at the Missouri State Fair for a length of time and under such terms and conditions to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
 - D. Assessment of any other penalty determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
2. **Advance or Pre-Entry of all open carcass show steers is required on the Missouri State Fair entry blank.**
All steers entered in the carcass contest will require a \$25.00 per head entry fee. An exhibitor may enter up to three (3) steers in the show. All steers will be harvested and processed. Premium monies are paid on both live and carcass placings. Entries must be received by July 8 at 5:00 p.m. **New for 2024- No late entries will be accepted after July 8. Market animals entered in a show for the Missouri State Fair, may enter in the Carcass contest during weigh-in. NEW**

3. No steer that has competed in the live on-foot competition of the Open Carcass show may be withdrawn, removed or otherwise withheld from processing by the exhibitor. Should a steer entered in the Open Carcass show be selected as the 4-H/FFA Grand Champion Steer or 4-H/FFA Reserve Grand Champion Steer of the Missouri State Fair in the 4H/FFA Steer Show, it will remain on the Missouri State Fairgrounds until after the Sale of Champions at which time it will be shipped for processing under the supervision of the Missouri State Fair Livestock Superintendent. **Violation of this rule will result in disciplinary action.**
4. When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
5. Absolutely NO late entries will be accepted at weigh-in, unless approved by the Livestock Superintendent.
6. The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
7. At time of weigh-in, exhibitor must provide breed of sire for each steer entered and designate which class the steer will be entered in for live competition: Class 1 or 4
 Class 1 Lean - Retail Division
 Class 4 Quality Hotel - Restaurant Division
8. In the final carcass competition, each steer will be placed based on its USDA marbling score and percent of retail cuts.
9. All steers must be weighed between **9:00 a.m. - 2:00 p.m. on Sunday, August 11**, at the Youth Building. **Every exhibitor is required to sign a livestock owner certificate and drug residue free form.** Exhibitors must check with the Beef Superintendent for stall assignment. 4-H & FFA EXHIBITORS: Please check regulations concerning entry deadline for Junior Show entries.
10. Steers must weigh between 1000 and 1550 pounds.
11. Weigh-in will be conducted by and under the supervision of officials from the Missouri Department of Agriculture, Divisions of Ag Business Development, Weights and Measures, and Animal Health.
12. **The On-Foot Show will be held at 9:00 a.m. on Monday, August 12**, in the MFA Arena for all steers entered in the carcass contest. All carcass steers will be evaluated by the judge for yield grade and quality grade. A Live Evaluation Contest will be held during the On-Foot Show. Trophies and cash prizes will be awarded for this evaluation contest.
13. The live evaluation judge or carcass judge shall have the authority to disqualify from both the live and carcass competition any steer showing evidence of staginess, unsoundness or other undesirable traits.
14. All entries must be halter broken and any steer which shows evidence of being unmanageable may be dismissed from the show at the discretion of the superintendent.
15. **Carcass steers will be shipped for harvest and processing immediately following the Junior Steer Show on Tuesday, August 13. Each exhibitor is responsible for assisting in loading his/her steer. Steers will be processed at a processing plant, to be determined.**
 A. The processing plant reimburses the Missouri State Fair for the steers on a grid basis. All steers are individually identified and reimbursed accordingly. However, the judge's quality and yield grades may differ from grades given at the plant. The Fair then pays the exhibitors for their actual carcass. Steer carcasses are subject to all premiums and discounts of the processing plant and the final total value of the carcass reflect those premiums and discounts assessed by the processing plant. Unfortunately on occasion, steers will grade as dark cutters which may result in market discounts. Exhibitors need to understand the risk of dark cutters and other discounts that may have a negative impact on their carcass value. Those entering steers in the carcass contest acknowledge these risks exist and the Missouri State Fair does not accept any responsibility for any discounts should any occur.
16. The Missouri State Fair reserves the right to have urine, blood, saliva and/or tissue tests performed on any market animal to detect practices not considered to be normal or usual animal husbandry practices, including the use of anabolic steroids, diuretics, feed additives or drug residues. An exhibitor of an animal producing a positive analysis of drugs, unapproved medication or chemical residues. **Violation of this rule will result in disciplinary action.**

16. Carcass Evaluation Process:

- A. Determine the USDA yield grade to the nearest 1/10 of a grade. The yield grade derived from the USDA formula will be adjusted for hot carcass weight, fat thickness, KPH and ribeye area using the following adjustment factors:

PREFERRED WINDOWS

Heart Fat >2.5	Heart Fat >2.5	+0.1/1.0%
Quality Grade Select or low choice	Quality Grade Average choice or better	

Use the following table for marbling score adjustments.

10-10.9	11-11.9	12-12.9	13-13.9	14-14.9	15-15.9	16-16.9	17-17.9	18-18.9

- B. Determine the USDA marbling grade (to the nearest 1/3 of a grade) which will determine the window the carcass will compete in.
- C. Rank the carcasses on the basis of this weighted index (adjusted % cutability).
- D. Carcasses must have a 3.99 competition yield grade or better to qualify for placing in either carcass class.
- E. A quality grade of Standard or lower will not qualify for placing.
- F. Dark cutters will be placed at the judge's discretion.
 1. Full or partial dark cutters will not place in the top 5 of either class.
- G. Placing procedures:
 1. Collect all the quality grade and yield grade factors and identify all factors outside the category windows.
 2. Determine all quality grades (from USDA chart) and yield grades, where $USDA\ YIELD\ GRADE = 2.5 + (2.5 \times ADJ\ BF) + (.0038 \times HOT\ WT) + (.2 \times \%KPH) - (.32 \times REA)$.
 3. Adjust yield grades for non-conformity (carcass wt., adj. BF, KPH and REA outside windows), and record the competition yield grades.
 4. The Lean-Retail category will be ranked using 60% on % retail cuts and 40% on USDA marbling score. The Quality Hotel-Restaurant category will be ranked using 30% on % retail cuts and 70% on USDA marbling score.
 5. Rank carcasses on overall numeric score within each division.
17. Beef carcasses will be paid on a grid grade-and-yield basis at current market prices. All standard industry discounts for grade, weight, dark cutters, trim, etc. will be applied by the packer. Payments for steers will be mailed directly to exhibitors. Trucking fees, not to exceed \$40 for each animal, will be deducted from the exhibitor's livestock payment.
18. Exhibitors will be responsible for loss due to condemnation or bruise damage.
19. A copy of the final carcass results will be either sent via e-mail or mailed to each exhibitor.

**Section R1
LIVE EVALUATION CONTEST OF
CARCASS STEER SHOW**

Monday, August 12

Live Evaluation begins: approximately 9:30 a.m.

Location: MFA Arena

Class	1	2	3	4	5
15 - Junior Division	\$45	35	25	15	10
(Anyone under 18 yrs. of age)	& plaque				
16 - Adult Division	\$45	35	25	15	10
(Anyone 18 yrs. & over)	& plaque				

What is the Live Evaluation Contest? It is an opportunity for individuals to participate in an educational activity associated with selecting slaughter steers by live and carcass traits and criteria. Anyone wishing to participate can enter this contest in the Junior or Adult Division. Age divisions will be as follows: Junior Division - anyone under 18 years of age; Adult Division - anyone 18 years and older.

Ten steers will be selected from the Carcass show entries to be used for the Live Evaluation Contest. A sample demonstration will be given on how to yield grade and quality grade slaughter steers prior to the beginning of the live evaluation contest.

Junior and adult contestants compete by guessing the actual carcass data collected on the 10 slaughter steers which are selected for the contest. Cash prizes will be awarded by the State Fair to the top 5 individuals in each division who are nearest to the actual carcass placings on the slaughter steers entered in this contest. The **MISSOURI CATTLEMEN'S ASSOCIATION** will present trophies to the top two junior and the top two adults. This is an excellent learning opportunity, not only for youth, but also for adults.
