The 2023 Missouri State Fair Boer Goat Shows are being dedicated to the Clarence Luchini Family. They have been very important to the Boer Goat industry in Missouri. Please join us on Tuesday, August 15 at 10:30 a.m. in the Swine Pavilion South Ring as we honor them.

RULES AND REGULATIONS

All animals must be inspected prior to unloading. After inspection, check with superintendent for penning assignments.

- Exhibitors must comply with all general rules and regulations and animal health requirements for exhibitors in this premium book.
Violation of these rules may result in any or all of the following:
 - Withholding or return of payment for the animal or exhibit, premiums and awards.
 - Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.
 - Probationary exhibiting at the Missouri State Fair for a length of time and under such terms and conditions to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.

D. Assessment of any other penalty determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.

- The Boer Goat Show will be sanctioned by the American Boer Goat Association (ABGA). Awards will be presented by each association based on their respective sanction rules. For copies of their rules and regulations, contact the respective association at: American Boer Goat Association, 1207 South Bryant Blvd., Suite C, San Angelo, Texas 76903.
- When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
- The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
- Entries must be received by July 3. Any party desiring to make a late entry will be able to do so by paying \$6 late fee per head for the Open Show and \$4 late fee per head for the 4-H/FFA Show, plus the entry fee. This can be done up to July 25, 2023.
- Entry fee is \$6.00 Open Show per head **and** \$4.00 4-H/FFA show per head. Superintendent will assign pens. Each exhibitor will receive the number of pens allotted for their number of head entered. If the exhibitor chooses to pen their animals in tighter quarters than they are allowed, they may use 1 pen for tack. This will be based on 3 animals per pen.
- Exhibitors must list class numbers, animal name, registration number, tattoos, birth date, sex and owner on their entry form. All classes entered must be shown on entry blanks.
- Goats must be owned by an individual or previous existing farm at least 30 days prior to the opening date of the Fair. Certificates of registry must be presented to the Superintendent of Boer Goats for examination and must show transfer of ownership to the exhibitor 30 days or more prior to the opening of the fair.
- Each exhibitor may show no more than two animals in each open show class. **No animals shall be changed from one class to another after entry closing date unless it is ineligible for the class in which it is entered.**
- All group classes must be pre-entered by July 3, 2023.
- Substitutions are allowed in the same class entered only. Substitutions must be made by July 25, 2023. NO EXCEPTIONS.**
- Market wethers do not need to be registered. All goats must be registered in the recognized Flock Books of their goat association. Registry certificate of ownership must be produced at the request of the superintendent. No faxed copies or registry applications will be accepted.
- Proof of birth date will be the date on the registration certificate and will be used to determine the class divisions. The show date will be the base date in computing all ages. Take the show date and count back to the birth date of the goat to determine the age and the class of the animal. For example, for a December 1 show, an animal with a January 1 birth date would be eleven (11) months old and would show in the kid class.
- All animals must be tattooed with a legible tattoo or other means of permanent identification consistent with its registration certificate. Tattoos or other means of permanent identification will be checked with the registration papers at the time of check-in. If the tattoo is unreadable or does not match the registration paper, the goat will be disqualified. The permanent identification must match the registration paper. No tattooing allowed after unloading. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader. Tattoos will be read on all champions and reserve champions.
- All bucks must be washed and clipped prior to arriving at the show and kept as odor free as possible. If a buck is deemed to be an odor problem and/or hazard by the Superintendent, he will be removed from the Fairgrounds at the discretion of the Superintendent.
