DAIRY CATTLE HERDSMAN AWARD

The Missouri State Fair will award \$80 plus an attractive plaque to the herdsman in charge of the most outstanding Dairy Cattle exhibit. Previous year's winner is not eligible. A committee will make inspections to determine the winner. The following points will be considered: 1) cleanliness, grooming, and appearance of the exhibits; 2) handling of feed, equipment, etc., and keeping same out of the alleys; 3) cooperation, courtesy, and sportsmanship in the exhibit area and show ring. The 2024 Dairy Cattle Herdsman Award was awarded to Case Melzer.

DEDICATION

The 2025 Missouri State Fair Dairy Cattle Shows are being dedicated to a family who actively supports the Missouri State Fair in many ways.

The Missouri State Fair extends an invitation to all dairy cattle exhibitors and friends to attend an awards ceremony honoring them at 7:30 p.m. Friday, August 15 in the Coliseum. The 2024 recipient was Dean Dohle, Starstruck Farms.

PRODUCTION AWARDS in milk will be presented in cow classes, except 2-year-old cows. Actual 305 day records will be used for the awards. Projected or mature equivalent records are not acceptable. Records must be sent with the entry form or may be sent to the Missouri State Fair by August 8. (Photocopies are acceptable.) NO entries will be accepted at the Fair.

RULES AND REGULATIONS

Entries must be received by July 7 at 5:00 p.m.

Exhibitors, with the exception of beef cattle, must bring their own bedding during the 2025 Fair. All exhibitors must bring their own feed. A contractor for feed or bedding will not be on grounds to service exhibitors. Premium Missouri Mulch bedding will be provided for beef cattle exhibitors at a \$10 per head rate, which will be collected along with beef cattle entries. No other bedding is allowed for beef cattle including sawdust, pellets, etc. Dairy cattle exhibitors may add straw only to bedding. All exhibitors should practice good environmental stewardship, keeping the bedding clean and free of glass, plastics, cans and other trash for the purposes of the Fair's recycling agreement.

1. Exhibitors must comply with general rules and regulations and animal health requirements for exhibition in this premium book.

Violation of these rules may result in any or all of the following:

- Withholding or return of payment for the animal or exhibit, premiums and awards.
 - Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.
 - Probationary exhibiting at the Missouri State Fair for a length of time and under such terms and conditions to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
 - Assessment of any other penalty determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
- When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
 - The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
 - Eligibility for Competition: Every female over thirty months old must have produced a living calf within twelve months or prove to be with calf.
 - A policy has been instituted concerning minimum number of exhibitors and head exhibited in order to receive premiums. These rules are listed in the front of this premium catalog.
 - Exhibitors must have the original registration certificate issued by the Breed Association available for inspection at the show for each animal. Any animal, upon check-in, which does not have a registration certificate, is ineligible to show. Once disqualified, animals cannot be rechecked at the show.

- Animals, to compose a competitive group, need not be named in the application for entry, but must be named at the time they are shown. Dams of the produce-of-dam classes are to be named at the time of making entry. Animals owned in partnership may be entered in all classes in one owner's name, but must appear under but one ownership. The entry shall carry a footnote showing the actual ownership of the animal as appearing on the herd book record.

Where a herd is registered in the name of different members of a family residing on one farm and where the herd is one unit, all entries from that farm and herd will be considered as that of a single exhibitor in the classes for Dairy Herd, Best Three Females, Produce-of-Dam, Premier Breeder, and Premier Exhibitor. However, for individual animal classes the ownership listed in the registration certificate shall be considered to be the exhibitor. Animals with registration or transfer pending will not be allowed to show unless communication is received by time of the show from registration office of breed association stating animal is acceptable for registration.

- No late entries will be accepted. All entries are due by July 7, 2025 at 5:00 p.m.**
- All dairy cattle exhibitors should enter GATE 4.
- No trucks or trailers will be permitted to park behind the dairy barns except while loading and unloading. After unloading, park in Restricted Lot A. Vehicles found in restricted areas without the proper hang tags are subject to towing at owner's expense.
- Cattle tie-out gates will be closed daily at 8 a.m. and opened at 7 p.m. Cattle may be led to tie-out areas after 7:00 p.m. and must be returned to stalls by 8:00 a.m. Any cattle remaining in the tie-out area after 8 a.m. will not be allowed to enter the grounds.
- Entry fee is \$20 Open Dairy Cattle per head **and** \$11 4-H/FFA Dairy Cattle per head. In addition to stalls for animals, exhibitors may rent no more than one additional stall if 4 to 6 animals are exhibited; two additional stalls if 7 to 14 head are exhibited; and no more than three additional stalls where 15 or more are exhibited. These stalls may be used for milking equipment, tack and personal paraphernalia. No stalls shall be used for the storage of feed or bedding.
- Registration papers must be presented when animals are checked in. Photocopies are not acceptable.
- All breeds must be in place by 1:00 p.m., Wednesday, August 13.
- No exhibitor will be allowed to bed down or receive stalling information until 8:00 p.m. Tuesday, August 12.
- Dairy cattle exhibitors may add straw only to bedding. All exhibitors should practice good environmental stewardship, keeping the bedding clean and free of glass, plastics, cans and other trash for the purposes of the Fair's recycling agreement.
- All breed champions will be milked out for the Supreme Champion selection.
- Animals not entered in a single or open class will not be permitted to show in a group class.
- No exhibitor shall be allowed to receive more than two monies in any one class.
- No animal will be awarded a prize unless it is brought into the show ring within 3 minutes of when the class is called.
- The official veterinarians of the exposition will inspect any animal if requested by the superintendent. Blood testing or ultrasound may be used to check for unauthorized substances. If any animal shall be found to have been tampered with - as herein described - that animal, its owner, exhibitor and/or handler may be subject to any or all of the following actions:
 - Withholding of payment for the animal, premiums and awards.
 - Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.
 - Probationary exhibiting at the Missouri State Fair for a length of time and under such terms and conditions to be determined by Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
 - Assessment of any other penalty determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
- Drenching will not be allowed except when authorized for health reasons by the State Veterinary.
- Any animal entering for exhibition at the Missouri State Fair shall be presented in the ring in its natural conformation and physical condition. Unnatural practices in fitting will not be tolerated. Any animal may be subjected to drug testing, testing for adulteration or ultrasound.
- Major violations are defined as being fraudulent and/or unethical in the showing of dairy cattle. Major violations will be reported to Show Management and can result in animals and/or exhibitors, owners or representatives being barred from future participation. These include but are not limited to:
 - Misrepresenting the age, lineage/breed and/or milking status of the animal for the class in which it is entered.
 - Balancing the udder by any means other than by leaving naturally produced milk in any or all quarters.
 - Treating an animal, particularly the udder, internally or externally with an irritant.
 - Administering an injected or applied anesthetic to alter the carriage of the tail or other body parts.
 - Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.

Note

- f. Blocking the nerves to the foot to prevent limping by injecting drugs.
 - g. Striking the animal to cause swelling in a depressed area.
 - h. Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide or hair. Not including the removal of warts, teats and horns, clipping and dressing of hair and trimming of hooves.
 - i. Insertion of foreign material under the skin, into the top-line or on the feet, adding real or artificial hair or hair-like substances to any part of the animal, except for false switches.
 - j. The use of alcoholic beverages in the feed or administered as a drench.
 - k. Administration of a drug of any kind or description internally or externally prior to entering the show ring, except for treating of a recognized disease or injury. For the purpose of this code, the term drug shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous systems of a cow.
 - l. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the show, including any unsportsmanlike conduct during the event.
26. Serious violations are defined as unethical practices that distract from the showing.
- These include but are not limited to:
- a. Manipulation of a teat to alter its normal position such as to unnaturally hold it plumb or to alter its length.
 - b. Changing the color of hair at any point, spot or area on the animal's body.
 - c. Mistreatment of an animal.
27. No fitting will be allowed in the show ring or in the immediate surroundings. Refusal to follow practice may result in the animal's disqualification.
28. Management reserves the right to obtain milk samples from any cow exhibited for analysis.
29. There will be no dogs allowed in any barns whether on a leash or in a cage. There will be NO exceptions.
30. To be eligible to show, leased animals must follow the Purebred Dairy Cattle Association (PDCA) leasing rules.

Exhibition Requirements for Dairy Cattle:

- iii. Dairy cattle—All classes of dairy cattle, two (2) months of age and older, entering Missouri for exhibition must meet the following requirements:
 1. Must obtain an entry permit.
 2. All sexually intact dairy cattle six (6) months and older must have a negative tuberculosis test within sixty (60) days of shipment, the test date must be listed on the Certificate of Veterinary Inspection; or
 3. Move from an accredited tuberculosis-free herd (herd test date must be listed on the Certificate of Veterinary Inspection); or
 4. Move directly from a herd of origin that has had one (1) complete negative herd test within one (1) year (date of herd test must be listed on the Certificate of Veterinary Inspection).

DEFINITION OF GROUP CLASSES

1. Junior Best Three Females. Three females, Fall Yearling or younger, all to have been bred by and at least one owned by exhibitor.
2. Senior Best Three Females. The group will consist of three animals, all in milking form: Fall yearling in milk and older. All three animals must have been bred by the exhibitor, and at least one must be owned by the exhibitor.
2. Dairy Herd. Groups to consist of four cows that have freshened. All are to be owned by exhibitor. Each exhibitor limited to one entry.
3. Produce-of-Dam. Group to consist of two animals, any age, the produce of one cow. The dam must be named. Each exhibitor is limited to one entry from the same cow. Animals need not both be owned by one exhibitor. One entry per dam.
4. Breeder's Herd. Five females all bred by one exhibitor. Consisting of two females that have freshened, two females under two years of age and one any age. Three must be owned by exhibitor.

5. Exhibitor's Herd. Group of five females owned by one exhibitor consisting of two, any age, which have calved; two females under two years of age and one any age. Three must be bred by the exhibitor.
 6. Daughter-Dam. One entry per dam.
 7. Best Udder Award. The judge shall select the two best-uddered cows from each breed, from the milking cow classes. This selection shall be made on the basis of udder alone and a milk out will be at the discretion of the judge. Recognition in the form of first and second place ribbons will be made just prior to the final placing of the respective class.
 8. Premier Exhibitor Award. In order to qualify for Premier Breeder points and Bred and Owned awards, **the exhibitor declared** at check-in must have his/her name recorded as a breeder on the animal's registration certificate. This award is to be made to the exhibitor accumulating the most points (not to exceed six animals) owned and exhibited by the exhibitor in the open single classes.
 9. Premier Breeder Award. In order to qualify for Premier Breeder points and Bred and Owned awards, **the exhibitor declared** at check-in must have his/her name recorded as a breeder on the animal's registration certificate. This award is made to the breeder of six animals or less accumulating the most points in open single classes, including animals bred by the breeder and exhibited by others. No limit on number exhibited, but the award is automatically figured on top six animals accumulating the most points. Points are not received for Best Udder Classes.
- The point scale is:
- | | | | | | | | | | | |
|----------------------------|----|----|----|----|----|----|---|---|---|----|
| Placing | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |

| Points for junior females: | 10 | 9 | 8 | 7 | 6 | 5 | 4 | 3 | 2 | 1 |

MARKETING MILK

Milk produced by cows on exhibit may be marketed by having cows milked in the milking parlor. Exhibitors are encouraged to use this facility; not only is it a convenience, but it helps to acquaint those who come to the State Fair with another facet of dairying. If exhibitors choose not to have cows milked in the milking parlor, they may obtain a milk can and deliver the milk immediately following the milking to the west door of the milk room of the parlor.

NOTE: Do not remove cans from milking parlor without milk room attendant issuing a number and can or cans to exhibitor.

Keep the milk clean. **Do not include milk from a cow that has been given an antibiotic treatment**, either by intramuscular or intramammary injection. Assistant in charge will assist those exhibitors with contaminated milk in disposing of same. **Do not put contaminated milk in the tank!!!**
