 - A. Withholding or return of payment for the animal or exhibit, premiums and awards.
 - B. Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.

All exhibitors, including Junior Exhibitors, must present certificates of registry to the Sheep Superintendent for examination. If the exhibitor chooses to pen their animals in tighter quarters than they are allowed, they may use 1 pen for tack.
15. For information about cleaning, feed, bedding and livestock releases see general rules in this premium book.
16. In the event that only one exhibitor enters a breed of goats, that breed will be excluded from showing.
17. Every goat must be properly fitted for show and be provided with a collar. All exhibitors must be neatly and properly dressed (preferably in white) while in the show ring.
18. Any dairy goat showing evidence of any disease, or any open contagious lesions, or any abscess, will not be allowed to exhibit or show and will be subject to isolation or exclusion depending on the nature and seriousness of the disease or lesion in question. If illness of any nature is suspected in any animal, said animal is subject to examination by the state veterinarian and owner or exhibitor of said animal must abide by the decision of the Veterinarian if found ill.
19. Refer to Official American Dairy Goat Association rules in regard to Official Shows, Championship leg credits, Registry certificates, tattoos, etc. and carefully review before the Missouri State Fair.
