

2022 MISSOURI STATE FAIR PARADE
Thursday, August 11, 2022 - 6 p.m.
Rules and Regulations for Entrants

Parade Theme: Buckets of Fun

The Missouri State Fair has regulations to help maintain the safety and enjoyment of those participating in and watching the Opening Day Parade. All entries must commit to staying in formation, completing the entire parade route, no exceptions. The continuous forward movement of the parade must be rapid enough to avoid gaps between each unit and the one preceding it. The route is lengthy, therefore, walking units are discouraged as they tend to slow down the pace. Entrants are not allowed to exit a vehicle and equine riders are not allowed to dismount and remount while the parade is underway. Under no circumstances are participants allowed to throw or distribute candy or other items to the crowd. Helium-filled balloons are prohibited due to interference with overhead aircraft.

Your understanding and cooperation of these rules will help ensure a safe and enjoyable parade.

1. ENTRY FORMS

All Entry Forms will be reviewed by the Missouri State Fair. Consideration of an Entry Form by the Missouri State Fair does not in any way constitute acceptance of that application and the Fair expressly reserves the right to reject an Entry Form for any reason. Specific instructions about parade day activities will be provided to accepted participants approximately the first of August.

Maximum dimensions for entries: Maximum width 20 ft. and must be able to turn corners. Maximum height: 13 ft.

5. DECORATIONS AND SIGNS

For identification purposes, entry number signs will be given to each entry. These signs must be placed on the front driver side of the vehicle or float or carried in a similar position for identification to the judges.

Helium-filled balloons tied to entry and/or handed out during the parade are prohibited as they can interfere with any aircraft over the fairgrounds.

Theme Floats:

• Theme Float entries are encouraged to be covered in a sturdy material that can withstand adverse weather conditions.

• Theme Floats must bear the name of the participant and the title of the theme depicted by the float (either on the float or with a banner carried in front of the float). All signs must be easily legible.

• Floats – Maximum width 20 ft. and must be able to turn corners. Maximum height: 13 ft.

6. VEHICLES

Any vehicle used as part of an entry must be provided by entrant.

7. ENTRY RESTRICTIONS

Entrants may submit more than one entry at a fee of \$20 per entry. Each entry may consist of no more than six units (passenger vehicles,

tractors, horses, etc.); these must be paraded two or three abreast with a maximum of three rows of units per entry. Requests for acceptance of more than six units must be approved in advance by the Missouri State Fair.

8. PARADE FORMATION AND PACE OF UNITS

The Missouri Highway Patrol will set the pace of the Parade so please maintain their speed. Ranks are to be closed with no more than one vehicle or unit length between rows. Each unit shall maintain its assigned position throughout the Parade and the continuous forward movement of the parade must be rapid enough to avoid gaps between each entry. Parade Officials will be assigned to monitor the space between units, and are authorized to remove any unit from the Parade if it fails to cooperate.

Walking entries are discouraged and will only be allowed in the parade at the discretion of the Missouri State Fair. No units or routines will be allowed to slow or stop the forward movement of the Parade. Violation of this rule will result in immediate ejection from the parade.

Do not stop to perform in front of the judges. Keep up with the speed of the entry in front of you.

Under no circumstances shall any participant, unit or entry move to a different position within the parade line-up before or during the parade, except under the direction of a Parade authority. Riding participants will not be permitted to dismount and remount while the Parade is in progress.

9. SAFETY

• Under no circumstances are participants allowed to throw or distribute candy or other items to the crowd.

If this rule is broken and items are distributed, the Missouri State Fair has the discretion to not accept entry form the following year.

- There will be no smoking during the Parade.
- Entrants carrying or under the influence of liquor, drugs or any other substance controlled by law and not taken pursuant to medical advice are not allowed.

• Units will not discharge firecrackers, caps, blanks or any other explosives that would excite the horses or other animals participating in the Parade.

• Ultimate responsibility for adherence to state and local laws and for safety lies with each individual party. The Missouri State Fair, its agents and others of the parade's organizing bodies assume no responsibility in connection with, and make no representation as to the safety of any parade entry, in whole or in part, solely by reason of compliance with rules, regulations and/or guidelines for the parade.

Any violation of these rules will immediately and permanently eliminate the unit's participation in any Missouri State Fair Parade.

10. COGGINS TEST

Per Missouri State Animal Health Regulations, all horses, mules and donkeys participating in a Parade must have proof of a negative E.I.A. test (Coggins) within the past 12 months.

11. DAY OF PARADE

Specific instructions about parade day activities, including line-up number, parking and location, will be provided to accepted entrants approximately the first of August. All entries should report to their designated line up number location by no later than 5:45 p.m. An information table will be set up along the parade route and parade officials will be canvassing the lineup areas to assist participants. All parade participants who wish to return to the fairgrounds following the parade must have their hand stamped by a parade official prior to the start of the parade.

12. TERMS OF PARTICIPATION

The acceptance, assignment and number of units in the Parade is at the sole discretion of the Missouri State Fair whose decision in these matters is final.

The Missouri State Fair reserves the right to eject any entry on day of the parade for any reason, including but not limited to inappropriate signage, displays, behavior, etc.

The Missouri State Fair shall be solely responsible for the interpretation of these rules.

*Missouri State High School Activities Association rules state that member schools cannot receive cash prizes as this is a violation of MSHSAA By-Law 4.2.4.a
