Judging Program - Wednesday, August 8, 10:00 a.m.

RULES AND REGULATIONS

Entry Fee is: \$1 per article/item. Pre-entry is recommended, but not required, by no later than Friday, July 20, 2018.

- 1. Entries will be received from 10:00 a.m. to 5:00 p.m., Tuesday, August 7,

at the Agriculture Building. Entries close August 7 and must be in place by 5:00 p.m. ONLY pre-entered exhibits will be received from 5:00 p.m. to 6:00 p.m. NO EXCEPTIONS!

2. All entries (excluding the largest pumpkin and largest watermelon contest) that do not place can be picked up after judging from 2:00 p.m. to 5:00 p.m. on Wednesday, August 8. Fruits and vegetables that are not picked up will be donated to a local food pantry. All baskets will be held for pick-up from 6:00 to 7:00 p.m. on August 19, the final day of the fair, unless pre-arrangements are made with the superintendent.
3. The main points to consider in selecting fruits and vegetables for entries or for exhibition are the quality, condition, representativeness and uniformity of the crops. Many people think that the large specimens win the prizes. Except for the "jumbo" classes, this is not the case. Market standards for quality, condition, representativeness and uniformity are far more important. We advise the exhibitor to first select specimens that are as near physically perfect as possible, free from insect and disease injury and high in quality, then choose from this selection those specimens which combine the ideal characteristics of the fruit or vegetable and which are most uniform in size, color and other characteristics. It is highly recommended that exhibitors prepare their vegetables for exhibit as described in the publication MU Guide: Exhibiting and Judging Garden Vegetables, website: <https://extension2.missouri.edu/G6230#Follow>.
4. Unless otherwise noted, the Fair will furnish the plates and other containers for the fruit and vegetable entries.
5. When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
6. The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
7. The Superintendent shall have the right to remove from exhibition at any time any exhibit or any part thereof which is unsightly.
8. All exhibits will be released on the final day of the Fair at 6:00 p.m. and must be removed by 7:00 p.m. Any exhibits not claimed by 7:00 p.m. will be forfeited. All awards, ribbons and gift certificates will be mailed to the awardees, unless prearrangements are made with the superintendent.
9. No loitering is allowed in the entry area. Should an exhibit need to be repositioned or moved, an entrant must receive prior permission by the Horticulture Superintendent. Failure to do so may result in disqualification of the entry.
10. The variety or cultivar name must be displayed with the entry.
11. Labels will be provided for labeling entries, unless otherwise stated.
12. The fruits or vegetables must be displayed whole, in a manner which best displays the character of the variety, unless otherwise stated.
13. Each exhibitor may enter two (2) entries for these classes 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 39, 40, 41, 42, 43, and 44.
