

NEW ANIMAL HEALTH REQUIREMENTS FOR EXHIBITION NEW

The following is a SUMMARY, and not a reprint of 2 CSR 30-2.040 Animal Health Requirements for exhibition regulations. Contact the Missouri State Veterinarian's office at (573) 751-3377 for clarification if needed:

GENERAL REQUIREMENTS

1. All animals must have a Certificate of Veterinary Inspection unless specifically exempted. The Certificate of Veterinary Inspection shall state that the animals are free of visible signs of contagious, infectious, or communicable disease, and describe the animal(s) by species, breed, sex and age. The Certificate of Veterinary Inspection shall reflect all data for required test and vaccinations, all dates, results, and the name of the laboratory.
2. The Certificate of Veterinary Inspection is valid for thirty (30) days.
3. Animals with active lesions of ringworm with resulting loss of hair or warts easily visible without close examination will not be permitted to exhibit and shall be subject to isolation or expulsion depending upon the nature and seriousness of the disease.
4. Sales scheduled in association with exhibitions must employ an accredited veterinarian to examine animals and process a Certificate of Veterinary Inspection for change of ownership.
5. The following are valid forms of official ID: 840 RFID/EID tags, 8 or 9 character NUES tags, Scrapie tags, Brucellosis tags, or a tattoo if purebred and with proof of registration accompanying the animal.
6. Alteration or substitution of any information on any VS Form 10-11 or any officially recognized federal/state EIA test chart or Certificate of Veterinary Inspection shall cause the document to be invalid and in violation of sections 267.010 to 267.730, RSMo, and may result in civil penalties not to exceed ten thousand dollars (\$10,000) per violation and subject to expulsion.
7. Any equine or other hoof stock originating from a county in which there is a premises under quarantine for Vesicular Stomatitis shall obtain an entry permit and must include the statement on the Certificate of Veterinary Inspection that "the (insert species) listed have not been exposed to Vesicular Stomatitis within the past fourteen (14) days, and do not originate from the premises quarantined for Vesicular Stomatitis."

EXHIBITION REQUIREMENTS FOR CATTLE IN MISSOURI

1. Intrastate (cattle in Missouri moving within Missouri for exhibition only).
 - a. No Certificate of Veterinary Inspection required.
 - b. Brucellosis – no test or vaccination is required.
