Should you prefer that your child not be photographed at MSF events, we want to work with you to keep his or her photo from being taken. Because there are so many youth involved in the Missouri State Fair, we cannot assure you that your child will not be photographed. We will ask official photographers to honor individual's requests not to be photographed. Please visit with your children about your wishes and encourage them to let photographers know that they request not to be photographed. Should a photo of your child be made and used against your wishes, please let us know so that we will not use it again in the future.
