SWINE HERDSMAN AWARD

The Missouri State Fair will award two \$75 awards and plaques to the farms with the most outstanding swine exhibits: one for August 14-16, and one for August 17-20. The Swine Herdsman Award for the two sessions of the Missouri State Fair that have purebred breeding stock will be selected according to the following criteria: each exhibitor will be given one ballot at check in time. Exhibitors will nominate and rank three other exhibitors for the Herdsman Award. The ballots will be turned in to the Swine Superintendent's Office by a designated time and the Superintendent will tally the results. Ties will be broken by a committee set up by the Superintendent. The Superintendent will have veto power and if this power is exercised, a committee set up by the Superintendent will select the Swine Herdsman Award winner.

Exhibitors should make their choices on the basis of: 1) cleanliness, grooming, and appearance of exhibits; 2) storage of feed, equipment, etc.; and 3) cooperation, courtesy, and sportsmanship in and out of the show ring. Winners from the previous year will be ineligible to win again for one year. 2022 winners were Luke Miller and Albert Bolinger.

DEDICATION

The 2023 Missouri State Fair Swine Shows are being dedicated to the Earl Dotson Family on Saturday, August 19, at 10:30 a.m.

They have been very important to our swine shows and the swine industry. Please join us for their dedication.

SHOWMANSHIP RULES AND REGULATIONS

There will be three showmanship sessions, one for each session of the Fair. During the first session, Wednesday, August 9, at 5:00 p.m., all barrow exhibitors will compete together. During the second session Sunday, August 13 at 5:00 p.m., the Berkshire, Chester White, Hereford, Poland, Spots and Other Purebreds exhibitors will compete together. During the third session Thursday, August 17 at 5:00 p.m., Duroc, Hampshire, Yorkshire, Crossbred Gilt and Crossbred Boar exhibitors will compete together.

The showmanship classes will be divided as follows: for 4-H, there will be classes for these age groups: 8-9; 10-11; 12-13; 14 and up; and for FFA there will be classes for these age groups: 16 and under and 17 and up. For 4-H your age is determined as of January 1 and for FFA your age is the age of the individual on the day of showing.

Once an exhibitor has won an age group, they may not compete again until they reach the next age group. There will be a sign-up sheet that junior exhibitors must sign at check-in to be in the showmanship classes. Winner in each division will be eligible for the Supreme Showmanship, Friday, August 18.

RULES AND REGULATIONS

1. All exhibitors must comply with the general rules and regulations and animal health requirements for exhibition in the front of this premium book.
Violation of these rules may result in any or all of the following:
 - A. Withholding or return of payment for the animal or exhibit, premiums and awards.
 - B. Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.
 - C. Probationary exhibiting at the Missouri State Fair for a length of time and under such terms and conditions to be determined by the

Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.

- D. Assessment of any other penalty determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
 2. When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
 3. The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
 4. All junior and open barrow exhibitors will be required to complete the Pork Quality Assurance III program as per 2/4/2006 guidelines and each exhibitor will be required to show their PQA III card. The exhibitor's name must be on the card. Each exhibitor is required to send a photocopy of their PQA III card along with their entries.
 5. All open show breeding animals must be the farrowed property of the exhibitor and shall so appear on the records of the respective breed associations. Exhibitor must have registration certificates on all individual breeding animals and purebred barrows at the Fair. EXCEPTION: Open Junior exhibitors (ages 21 and under) will be allowed to exhibit purchased gilts and barrows as long as they were purchased at least 90 days prior to the show.
 6. The age limits for boars and gilts is December 1, 2022 to March 31, 2023 and barrows are December 1, 2022 to March 31, 2023. Crossbred Boars and Gilts will be divided equally by weight. Classes will be determined after pigs arrive on the grounds. Three classes will be conducted if 40 head or less are entered by sex and breed. Four classes will be conducted if 41 to 79 head are entered by sex and breed. When there are 80 or more head by sex and breed the Superintendent will determine the class breaks.
- Note** The age limits for boars and gilts is December 1, 2022 to March 31, 2023 and barrows are December 1, 2022 to March 31, 2023. Crossbred Boars and Gilts will be divided equally by weight. Classes will be determined after pigs arrive on the grounds. Three classes will be conducted if 40 head or less are entered by sex and breed. Four classes will be conducted if 41 to 79 head are entered by sex and breed. When there are 80 or more head by sex and breed the Superintendent will determine the class breaks.
- Note** No minimum or maximum weight is required for the Open Barrow show. **With 15 pound weigh back allowance.**
Barrow classes will be posted as soon as possible after weighing. In the open on-foot barrow show the crossbreds will be shown in three (3) divisions. Purebred barrows will be required to show registration certificates.
7. All breeding stock, including purebred and crossbred barrows, boars and gilts, will be required to have recognizable ear notches in both ears, and farrowing date. No scabby or fresh ear notches will be accepted. **(Breed and carcass barrows are required to pre-enter with breeding swine.)**
 8. Entries in swine show close and must be received by July 3. Any party desiring to make a late entry will be able to do so by paying \$6 per head for the Open Show and \$4 per head for the 4-H/FFA Show, plus the entry fee. This can be done up to July 25, 2023. Every exhibitor is required to have a social security number.
 9. Exhibitors may enter 10 boars and 10 gilts per breed, 10 crossbred gilts, 10 crossbred boars, and a total of 10 barrows; with premiums being paid on all that place in the classes. Exhibitors may enter 4 barrows per exhibitor in the open Growth & Quality barrow show. 4-H and FFA members may have a total of 10 barrows in their respective 4-H or FFA show, but they may only show 4 in the open Quality & Growth barrow show. Determination of carcass pigs for junior exhibitors must be done by the time of the junior weigh in.
Substitution will be allowed as follows: for barrows, a barrow for a barrow, first session of showing. Second session of showing, an animal for an animal within the Berkshire, Chester White, Hereford, Poland, Spots & Other Purebreds breeds. Third session of showing, an animal for an animal within the Duroc, Hampshire, Yorkshire, & Crossbred breeds.
- Note** 10. Pellet bedding and sawdust is prohibited in the pens. No bedding materials are allowed in alleyways.
- Note** 11. 2 animals will be assigned to pens in the east barn, bring dividers if needed. Exception is for Boars.
12. A \$6.00 Open swine entry fee per head will be charged and \$4.00 4-H/FFA swine entry fee per head will be charged. Animals will be assigned to pens by the Superintendent.
 13. Stalls, feed and bedding information may be found in the general rules and regulations.
 14. Exhibitors of purebred/crossbred barrows will not be permitted to bring their animals on the Fairgrounds prior to 7:00 p.m. on Monday, August 7, 2023. No purebred breeding stock will be stalled during the barrow portion of the fair. (Dark colored is any animal with black hair or skin.)
 15. Upon arrival, all exhibitors should check with one of the Assistant Superintendents, at which time health papers and registration certificates will be checked and collected. The swine cards need to be completed and checked against registration papers by the time posted at the Swine Office. Classes will be posted as soon as they are ready.
 16. No trailers or sleeping units will be permitted to park next to the Swine Pavilion, except while loading and unloading. After unloading, exit Gate 7, turn left go to Gate 9 and go to the trailer parking. For further parking information contact the Superintendent of this department. Vehicles found in restricted areas are subject to towing at owner's expense.
 17. No hogs that are ineligible to show will be allowed inside the Pavilion for penning.
 18. In order that every precaution may be taken to prevent the spread-

- ing of diseases, the pens in the Swine Pavilion will be thoroughly disinfected under the supervision of the State Veterinarian.
- Camping is available in the inner campground or reserved exhibitor camping is available inside the west public campgrounds adjacent to the tunnel, by reservation only on the camping reservation form.
 - All exhibitors will be expected to keep their pens and area around their pens clean.

- The Missouri Berkshire Association**

will award \$50 to the highest placing overall Berkshire barrow if the exhibitor is a member of the Missouri Berkshire Association. Contact: Bailey Boland 660-641-2179.

3. **The Missouri Spot Association** will award \$50 to the highest placing overall Spot barrow. Contact: Karson Thomas 417-496-2513.

PURPOSE

1. To promote and recognize the pork industry in Missouri.
2. To supply quality carcass evaluation information to producers.
3. To recognize the carcass qualities which the industry desires.
4. To promote the economical performance trait of lean gain per day.

RULES

1. **Violation of these rules may result in any or all of the following:**

- A. Withholding or return of payment for the animal or exhibit, premiums and awards.
 - B. Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.
 - C. Probationary exhibiting at the Missouri State Fair for a length of time and under such terms and conditions to be determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
 - D. Assessment of any other penalty determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.
2. An intent to participate form, including exhibitor name, address, county, and phone number must be submitted to Greg Onstott, Missouri Department of Agriculture, P.O. Box 630, Jefferson City, MO 65102, **on or before May 26, 2023**. To nominate barrows or participate in the Barrow Classic please contact Dr. Marcia Shannon at (573) 882-7859 or Greg Onstott at (573) 751-7766
 3. Due to bio-security reasons associated with the spread of PEDv, nominated barrows will not be weighed initially in April, but weight per day of age calculation based upon documented birth dates will be used. There is no restriction on the birthdate. All pigs will be exhibited at the State Fair based on the documented birthdate. Documented birthdates would include a signed paper from the breeder or registration papers. Barrows must be nominated for participation on or before May 26, 2023. All barrows must have a documented birth date, ear notches and/or registration tattoos. Once nominated the exhibitor will be mailed tags to be placed on the barrows. The nomination of barrows does not require those to be entered into the fair. The decision to do so is left up to the exhibitor when making entries to the fair later in the year.
 4. All barrows must be ear notched prior to weigh-in using the National Ear Notching System. All barrows will be identified with an official ear tag. Unreadable identification will result in forfeiture of premiums.
 5. Each exhibitor may nominate, weigh-in and exhibit any combination of ten (10) crossbred or purebred barrows.
 6. Crossbred barrows must be the breeding of two or more breeds.
 7. **Advanced or Pre-Entry of all Open Classic Show Barrows is required on the Missouri State Fair entry blank.** All barrows entered in the Barrow Classic Contest will require a \$20.00 per head entry fee (this includes \$5.00 ultrasound fee). All entries must be slaughtered.
 8. No barrow that has competed in the live on-foot competition of the Growth & Quality Carcass show may be withdrawn, removed or otherwise withheld from processing by the exhibitor. Should a barrow entered in the Quality & Growth Carcass show be selected as the 4-H/FFA Grand Champion Barrow or 4-H/FFA Reserve Grand Champion Barrow of the Missouri State Fair in the 4H/FFA Barrow Show, it will remain on the Missouri State Fairgrounds until after the Sale of Champions at which time it will be shipped for processing under the supervision of the Missouri State Fair Livestock Superintendent.
 9. **Barrows must meet standard health requirements of the Fair. All barrow exhibitors will be required to complete the National Pork Board Pork Quality Assurance Program or the Missouri Show-Me Quality Assurance Program. Verification of PQA or SMQA will be determined by the local extension staff or FFA advisor at the time of state fair entries are made.**
 10. The Missouri State Fair reserves the right to have urine, blood, saliva and/or tissue tests performed on any market animal to detect practices not considered to be normal or usual animal husbandry practices, including the use of anabolic steroids, diuretics, feed additives or drug residues. An exhibitor of an animal producing positive analysis of drugs, unapproved medication or chemical residues, may result in any or all of the following:
 - A. Withholding of payment for the animal, premiums and awards.
 - B. Suspension from future exhibiting at the Missouri State Fair for a length of time to be determined by Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission. Suspensions can be for any length of time and may be permanent.
 - C. Probationary exhibiting at the Missouri State Fair for a length of time and under such terms and conditions to be determined by Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.

D. Assessment of any other penalty determined by the Missouri State Fair Commission or the Director of the Missouri State Fair on behalf of the Commission.

11. All medications and feed additives, including Paylean, must be fed according to the product's label.
12. All barrows entered in the Growth and Quality Barrow Classic will be weighed and tattooed on Wednesday, August 9, from 9:00 a.m. - 11:00 a.m. **All purebred barrows are required to have registration papers at the scales. No late entries accepted at weigh-in, except if approved by the Livestock Superintendent.**
13. Exhibitors are requested to fill out entry cards including name, address, zip code, breed and ID number before weighing in barrows.
14. Weigh-in of barrows will be conducted under the supervision of officials from the Missouri Department of Agriculture, Divisions of Ag Business Development and Weights and Measures.
15. All barrows weighing less than 230 pounds or more than 300 pounds will be eligible to compete, but may be discounted by the carcass judge and processor.
16. All barrows entered in the Growth and Quality Barrow Classic will be evaluated on live and carcass merit and acceptable quality lean pork gain per day on test. All barrows will be scanned for 10th rib fat and loin muscle using ultrasound at time of weigh-in by a certified technician in cooperation with the University of Missouri and the Missouri Department of Agriculture.
17. All barrows will be shown on Thursday, August 10, at 5:00 p.m. Classes will be divided using official live weight at the Missouri State Fair regardless of breed origin or youth organization. Each barrow will receive a live score.
18. Due to processing facility availability, barrows will be sorted by lean gain per day, ultrasound (BF, LEA) and live placing prior to pork quality evaluation. The top ranking barrows (not to exceed 55 (fifty-five) head will be evaluated for pork quality) and spaces will be reserved to ensure breed representation. Barrows will be loaded for processing immediately following the live show. Barrows will be processed at the University of Missouri Meat Laboratory, Columbia, MO. All other barrows not ranking in the top half will be released to exhibitors after the show. Payments for barrows will be mailed directly to the exhibitor. Trucking fees, not to exceed \$10 for each animal, will be deducted from the exhibitor's livestock payment.
19. **Barrows will be evaluated for pork quality. Pork quality will be determined by objective, instrumental evaluation of the cut lean surface of the loin.**
 - ***Color evaluation:** Light intensity (Reflectance) will be obtained with a Minolta colorimeter on the cut lean surface of the loin *longissimus dorsi* muscle.
 - ***Muscle pH:** Muscle pH will be obtained with a Mettler Toledo, glass tipped pH probe by insertion into the loin *longissimus dorsi* muscle.
 - ***Tenderness:** Muscle tenderness will be obtained using Warner-Bratzler Shear Force measurements, which measures the shear force to cut the cooked product, of the loin *longissimus dorsi* muscle.
 - ***Marbling:** Intramuscular fat (marbling) will be obtained using National Pork Board visual fresh pork photographic reference standards of the loin *longissimus dorsi* muscle.

The meat quality portion of the contest will account for 60% of the final score. Each meat quality measurements will represent 15%.
20. Every effort will be made to obtain pork quality data on all carcasses selected. Situations where this may not occur include loss of carcass identity due to skinning off tattoo numbers or illegible tattoos, DOA (dead on arrival), carcass condemnation, retained testicles, or unforeseen situations that may arise.
21. Any carcasses condemned will be the responsibility of the exhibitor.
22. An overall ranking will be assigned based on three components: live score is worth 20%, acceptable quality lean pork gain per day on test (containing 5% fat) is worth 20%; and pork quality is worth 60%, which consists of color, pH, tenderness and marbling.
23. A copy of the final results will be mailed or emailed to each exhibitor.
24. When there is only 1 exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
25. The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.

Section E

SWINE JUDGING CONTEST

The Missouri State Fair Swine Judging Contest is sponsored by the Missouri State Fair in cooperation with the Missouri Pork Association. It will be held Friday, August 8 in the Swine Pavilion.

The contest is open to current Missouri 4-H & FFA members that have not yet graduated from high school. There will be two divisions: Junior (eighth grade & under) and Senior (ninth grade & over). Registration for the contest will be from 3:00 - 4:00 p.m., in the Swine Pavilion; the contest begins at 5:00 p.m. Entry fee is \$5.00 per person and will be paid out to the top teams and

individuals. Each team must be entered by a sponsor (Agricultural Education instructor or University of Missouri Extension Specialist). A team may have three or four members; only the top three individual scores will determine the team total. The members in each first place team will receive a plaque.

The contest will consist of four (4) swine judging classes and two (2) sets of questions. No oral reasons will be taken. Note: The amount of classes is subject to change.

The top individuals in each division will receive a cash award. The remainder of the entry fees will be divided among the top three teams in each division.

The results of the contest will be announced as soon as they are available. The results will be posted in the Swine Pavilion the following day. A copy will also be mailed to each coach at the conclusion of the Fair.

The winning team may be eligible to represent Missouri at the National Barrow Show.

JUNIOR BARROW SHOW BEST OF BREEDS CHAMPIONS RECOGNITION PROGRAM Friday, August 11, 2023

GUIDELINES

- After the two animals are selected for the Sale of Champions, the judge will select a champion of each breed and a crossbred to represent the Junior Barrow Show Best of Breeds Champions.
- These 4 overall champion barrows are not eligible for the Open Barrow Show.
- The Missouri State Fair may perform urine, saliva and/or tissue tests on all Junior Barrow Show Best of Breeds Champions animals and reserves the right to test any other exhibited animal to detect practices not considered to be normal or usual animal husbandry practices, including the use of anabolic steroids, diuretics, feed additives or drug residues. An exhibitor or anyone causing an animal to produce a positive analysis of drugs, unproved medication or chemical residues may be subject to penalties established by the Missouri State Fair.
- Penalties for any person accused of a violation of the rules and regulations governing the Junior Barrow Show Best of Breeds Champions Program may result in any or all of the following:
 - withhold payment for the animal
 - suspension from future exhibiting at the Missouri State Fair
 - assessment of any other penalty set by the Director of the Missouri State Fair.
 - acceptance of the consequences without recourse against the Missouri State Fair, Missouri Department of Agriculture and the Missouri Pork Association.
- The Missouri Swine Youth Supporters and MFA Incorporated, Feed Division, 201 Ray Young Drive, Columbia, MO may provide additional premiums for eligible animals that are selected as Junior Champion Breed Barrows. **Contact: Jerry Reid, 660-335-6666 for more information about how to qualify.**

SALE GUIDELINES

- The sale is sponsored by the Missouri Purebred Swine Breeders Association.
- All Champion and Reserve Champion boars and gilts are required to go through the sale ring.
- The number of hogs eligible from each breed for sale will be based on the following formula:
Boars: The Champion boar and Reserve Champion boar will sell plus five percent (5%) of the boars from those breeds which are exhibited at the Missouri State Fair.
Gilts: The Champion Gilt and Reserve Champion Gilt will sell. The number of gilts sold will be based on a 2:1 ratio of the number of boars offered for sale.
- All animals will sell in their entirety.
- The judge of each show will be responsible for selecting the hogs to make up the sale order. At the judges' discretion, more hogs may be selected to sell.
- Any youth exhibitor who would like to take his/her gilt or boar home to use should not enter the open show. All animals exhibited in the open show are eligible for the sale and if selected must sell.**
- The sale order will be determined by judges and the sale manager.
- Any exhibitor may consign boars and/or gilts for \$30.00 each to the sale.
- The sale commission will be fifteen percent (15%). **Buy back will only pay the fifteen percent (15%) commission.**
- All of the hogs in the sale will be released from the Missouri State Fairgrounds immediately after the sale.
- All sales are between the buyer and the seller. Neither the Missouri Purebred Swine Breeders Association or the Missouri State Fair assumes responsibility for collection of payment on hogs purchased.
- 4-H and FFA members may register to win a Buyer's Certificate toward the purchase of a boar or gilt.
Buyers Appreciation Dinner - prior to sale

SPECIALS

BERKSHIRE

All Berkshire swine must be registered by the **American Berkshire Association (ABA)**, 2637 Yeager Road, West Lafayette, IN 47906. Said registration paper must be presented at time of check in. The ABA is the only Berkshire swine registry recognized by the National Association of Swine Records (NASR) and the National Pedigreed Livestock Council (NPLC). **The American Berkshire Association** offers a plaque to the overall Grand Champion Market Barrow live and/or carcass if the animal is from a recorded Berkshire litter and the Association is supplied a photo and story within thirty days of the show.

CERTIFIED PEDIGREED SWINE SPECIAL

Certified Pedigreed Swine (CPS) will offer \$100 on the Grand Champion On-Foot Barrow Over-All Breeds, if won by a CPS Breed Barrow (**Chester White, Hereford, Poland or Spot**) from a recorded litter in the Certified Pedigreed Swine database, (Peoria, IL) and providing the owner furnishes the Association with a picture and story of said barrow.

MISSOURI POLAND ASSOCIATION SPECIAL

The Missouri Poland Association, 24166 Slade Ave., Gallatin, MO 64640, will award plaques for the Reserve Champion Boar and Reserve Champion Gilt.
