Dale Wollard - 816-506-1361

**2023 RULES AND REGULATIONS
Official's decision is final.**

1. Drivers under 16 years of age must have parent's or guardian's written consent.
2. Consumption of alcoholic beverages is prohibited. No foul or abusive language.
3. Drivers must follow proper safety guidelines: Drivers must be firmly seated at all times, no bouncing permitted. Drivers must have at least one hand on steering wheel. Feet must be in general vicinity of clutch and brakes at all times.
4. Tractors must be operated in a safe manner at all times.
5. Weights must be securely fastened. If ANYTHING falls off, the tractor will be disqualified.
6. All vehicles will have tip-over bars, no wheels as or on tip-over bars.
7. Any protest must be made before tractor being protested leaves the track.
8. Pulling vehicle must remain in bounds at all times. Out of bounds will result in disqualification. No measurement will be taken following a disqualification.
9. If there is a problem with a puller or their vehicle, officials must be notified before the vehicle leaves the track.
10. When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
11. The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
12. All tractor classes except class 27, maximum of 7100 'P' pump, 13 mm maximum.
13. All ICE must be added to intercoolers before leaving scales.
14. Speed limit for all vehicles is 5 mph in the pits.
15. NO receiver hitch on any trucks.
16. 9500 Pro Field Tractors may hook 9500 Pro Field on Sunday, then 8500 Sunday night or if you fit PPL rules, you may hook 9500 Pro Farm on Monday.
17. Pulling vehicle may hook TWICE on Sunday or ONE time for Sunday class and ONE time for Monday class.
18. 8500 Light Pro Stock, 3.0 Diesel 4X4, & 4.1's can hook Sunday and Monday if they fit in PPL rules.
19. All classes must have fire-suit and helmet.
20. No headlights on when hooked to sled.
21. The first official hook in each class will be the option puller. The option puller will come back to re hook in the 6th measurable position with 2 attempts.
22. Each puller will have 2 attempts if stopped prior to 100 foot on the 1st attempt. 100 ft flagman decision is final.
23. In the event of a sled reweight the puller(s) have the option to come back immediately or in the last position.
24. NO ONE is allowed to ride on or in a pulling vehicle while inside of pit area or track. NO ONE is allowed on track but the officials and puller.
25. In 9500 Profield and Pro Street 4x4 only, with 20 or more registered entries the class will be evaluated and possibly split into heats and finals at the discretion of the Missouri State Fair.

All classes must have 3" wide x 3 3/4" long hitch hole.
All tractors in RPM classes need a 3 hole female plug for the RPM box, RPM box must read before green flag.
All Diesel trucks must have kill switch and it must work. If kill switch is not in working order or accessible the vehicle will be disqualified.
Any truck with airbags - Missouri State Fair is not responsible for deployment.
All tractors must have no more than a ten degree angle on hitch.

2023 GENERAL RULES AND REGULATIONS**Official's decision is final.**

1. Drivers under 16 years of age must have parent's or guardian's written consent.
2. Consumption of alcoholic beverages is prohibited. No foul or abusive language.
3. PTO's SHOULD BE REMOVED OR COVERED.
4. Drivers must follow proper safety guidelines: Drivers must be firmly seated at all times, no bouncing permitted. Drivers must have at least one hand on steering wheel. Feet must be in general vicinity of clutch and brakes at all times.
5. Tractors must be operated in a safe manner at all times.
6. No radial tires allowed and no locked differentials.
7. Tractors can enter 3 classes.
8. Front weights can go no more than 11 feet from center of rear axle.
9. Weights must be securely fastened. If ANYTHING falls off, the tractor will be disqualified.
10. This rule is for all sections below with exception of section K for uncut tires. Minimum drawbar length is 18" from center of rear axle to point of hook, measured horizontally. Drawbar to be stationary in all directions. Maximum height 20", from top hitching point parallel to ground. Hitching hook on sled must fit freely in hooking device on tractor, no obstruction of chain or hook, and no springs on hitch mechanism. All classes must have 3" wide by 3 3/4" long hitch hole.
11. All pulling vehicles will have tip-over bars, no wheels as or on tip-over bars.
12. Any protest must be made before tractor being protested leaves the track.
13. Tractors must be two-wheel drive. No crawlers or dual wheels.
14. The first pull in each class is entitled to re-pull, but must take the 3rd or 6th position and must take the 2nd measurement.
15. NO ONE is allowed to ride on or in a pulling vehicle while inside of pit area. NO ONE is allowed on track but officials and puller.
16. NO FUEL MIXTURES ALLOWED.
17. Pulling vehicle must remain in bounds at all times. Out of bounds will result in disqualification. No measurement will be taken following a disqualification.
18. If there is a problem with a puller or their vehicle, officials must be notified before the vehicle leaves the track.
19. When there is only one (1) exhibit in a class, the exhibitor will receive half of the premium money for the placing awarded by the judge.
20. The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.
21. No headlights on when hooked to the sled.
22. No shifting in any class.
23. All tractors must be naturally aspirated.

Section H - ANTIQUE TRACTOR PULL - Small Tire - Division 3**15.5 x 38 Tires, 1959 & Older Cut Tire**

August 16, 2023 - 10:00 a.m. & 6:00 p.m. - State Fair Arena

RULES AND REGULATIONS

1. Pullers must comply with all general rules and regulations.
2. All tractors must be equipped for the year and model or factory replacement. AC, WC can use D-17 engine, John Deere can use power blocks. No block spacer plate. 10% over standard R.P.M. for the model.
3. Tire size 15.5 x 38 and under, no rim limit. No grinding on tire sizes. No excessive cutting on wheels beyond an unsafe point. Judge's decision final.
4. All tractors may pull in any gear, not to exceed 4 MPH. If tractor exceeds 4 MPH after first 100 feet pulled, tractor will be disqualified.
5. Serial numbers will be checked, and RPM may be checked; pullers' responsibility. Drawbars and weights will be checked.
6. All tractors must have positive stop throttle.
7. All tractors may be checked after pull.
8. Two attempts can be made to start sled while on track; if not, tractor is eliminated. If tractor is stopped within first 50', the puller is entitled to his second attempt.
9. Classes: H1-3250#, H2-3500#, H3-3750#, H4-4000#, H5-4500#, H6-5000#, H7-5500#, H8-6000#
10. Trophies: 3 per class.

Section J - ANTIQUE TRACTOR PULL - Division 3**18.4 x 38 cut tires, 1959 & older**

August 16, 2023 - 10:00 a.m. & 6:00 p.m. - State Fair Arena
